

Pfizer Award in Enzyme Chemistry

The Pfizer Award

The Pfizer Award in Enzyme Chemistry was established in 1945. Consisting of a gold medal and honorarium, its purpose is to stimulate fundamental research in enzyme chemistry by scientists not over forty years of age. The Award is administered by the Division of Biological Chemistry of the American Chemical Society.

1946	David E. Green	1970	Herbert Weissback	1994	Donald Hilvert
1947	Van R. Potter	1971	Jack Preiss	1995	Gerald F. Joyce
1948	Albert L. Lehninger	1972	Ekkehard K. F. Bautz	1996	P. Andrew Karplus
